

Security Products and Security-Today.com Announce The Govies Government Security Award Winners for 2015

Dallas, Texas, April 8, 2015 -*Security Products* magazine, the only integrated product and technology magazine reaching the entire security market and Security-Today.com, the preeminent website for the security industry, announced the 2015 winners in The Govies Government Security Awards competition today. The awards honor outstanding government security products in a variety of categories.

The *Security Products'* Government Security Awards were launched in 2009. Participation in the program continues to grow every year. Award categories will be announced during the ISC West Expo, which will be held April 15-17 at Sands Expo Center in Las Vegas, Nevada.

1105 Media's *Security Products*, Security-Today.com and *GovSec* branded media offer important information to the government security market through a vast portfolio of products. An independent panel of judges from the security industry selected the top entries in the 2015 categories and named them winners using criteria including Features, Innovation, User Friendliness, Interoperability, Quality, Design, Market Opportunity, and Impact in the Security Industry, Technical Advances, and Scalability.
